### Meyer Najem Construction is Awarded Phi Delta Theta House Renovation Project at Butler University

(Fishers, IN) July 31, 2008 - Meyer Najem and Peterson Architecture have been awarded the complete renovation of the Phi Delta Theta fraternity house on the Butler University campus. This chapter, founded in 1859, was the first fraternity on the campus. It closed its doors in 2002 but has started to re-colonize. The fraternity is currently raising funds for the complete renovation of the existing house that is slated to begin this Fall and commence in the Fall of 2009. This project will be the first "Green" certified fraternity in the state.

Meyer Najem is one of the leading construction managers and contractors in the region, with an emphasis in Healthcare and Institutional Markets.
