Meyer Najem Construction Is Awarded New \$22 Million OrthoIndy/Indiana Orthopaedic Hospital Project

(Fishers, IN) December 30, 2008 – Meyer Najem Construction has recently been awarded the new \$22 million Hospital Outpatient Department / Clinic for OrthoIndy and the Indiana Orthopaedic Hospital. This state-of-the-art facility will be located on forty-two (42) acres near I-65 and County Line Road on the Southside of Indianapolis. The breakdown for the 75,000 square-foot facility is comprised of a 35,000 square-foot ground-up hospital and 40,000 square feet for clinical services. The hospital will feature four (4) operating rooms, two (2) procedure rooms, six (6) PACU Bays, fifteen (15) Pre-op/Stage 2/APS Bays, Outpatient Therapy, and an MRI room. In addition, the clinic will provide 42 exam rooms, two (2) casting rooms, fifteen (15) physician offices, three (3) X-ray rooms, and a data center. Design and Preconstruction of this 5-star orthopaedic care facility has already begun with completion scheduled for 2010.

The Development / Construction Team: Hokanson Companies, Inc., McCormack Development and Meyer Najem Construction, LLC
Architect: BSA LifeStructures Architects
