Meyer Najem Construction Wins Two ABC Awards

(Fishers, IN) October 1, 2009 - The Associated Builders and Contractors of Indiana has awarded Meyer Najem Construction the Award of Excellence for the Tipton Hospital Expansion and St. Malachy Catholic Church. Both awards were accepted at the banquet held at the Indiana Roof Ballroom on September 29. The criteria for this prestigious award focused on safety, overall impact and significance, innovative programs specific to this project, constructability, and subcontractor affiliation.

The Tipton Hospital Expansion was a three-year, multi-phased project that included a three-story plus penthouse addition on the south side of the campus totaling 85,000 SF. The project also consisted of reshaping the existing north parking lot to accommodate additional parking needed for the new expansion and relocating the mobile MRI unit.

The St. Malachy Catholic Church project is home to seventy-one acres of farmland in the city of Brownsburg. This 28,500 SF church includes a sanctuary large enough to accommodate 1,100 people with an exterior structure consisting of surrounded glass, and a large steel dome roof.
